**ORDER APPROVING MOTION TO MODIFY PLAN IN RESPONSE TO

On this date came on to be considered the above-entitled motion. Notice of the filing of said motion was issued to all parties in interest in this case. Said notice specified that the motion would, in the Court's discretion, be approved unless a written objection to such action was filed with the Court within twenty days after the date of the notice. Debtors are therefore, **ORDERED** to make the following payments: \$1,606 per month beginning in November, 2007, to the Chapter 13 Trustee for the duration of the plan, from which the Chapter 13 Trustee shall pay priority and secured creditors as follows: All payments to

priority and secured creditors shall remain the same except for Tax Ease Funding (\$7,864.23) to be paid at \$180 per month. Due to the rearranging of the monthly payments, the dividend to the unsecured creditors will be approximately 9 percent. Debtors will resume making regular payments to the Chapter 13 Trustee in November, 2007, and would request that the plan payment arrearage that exists as of October, 2007, be cured by extending plan as required.
